TOWN VOTES BETTERMENTS, FIRE TRUCK, TURN DOWN RUBBISH COLLECTION

Wilmington's Town Meeting of 1956 voted Water and Street Betterments, for the first time in the history of the town, and for a \$9,500 Brush Truck for the Fire Department. The third controversial article on the Town Warrant, Rubbish Collection, proposed by the Board of Health, was turned down after being twice debated on the floor.

There was but little disagreement with the Finance Committee's recommendations on Article 3, the Town Manager's Budget. Changes upwards were made in the Police and Fire Department salaries, to allow for the four week vacation periods voted by the town a week ago, and an additional \$1000 was voted for Welfare Aid, the town at the same time adopting a shorter form for the Welfare Department budget.

A sharp fight took place at the time of the discussion of the School Budget, with the school committee successfully getting a new form budget, approved by the state, and the voters refusing to appropriate \$1200 for a Dependency Allowance for Teachers, and \$2500 for Vocational Training.

The Recreational Commission succeeded in restoring a cut which had been made by the Finance Committee.

Selectman Hagerty, former Chairman of the Board of Health succeeded in moving Article 47 (Collection of Rubbish) up to follow Article 8, but lost in his move to have the town vote rubbish collection. Hagerty argued that it would cost only \$10,000 this year, because of several months lost, and of the savings on salaries for the Town Dump attendant. Proposed was a contract with a private collector, in which he would maintain his own dump.

(Hagerty had the article again introduced Monday evening, and again it lost, after a sharp tussle. It was introduced the second time by Gus Cuoco, of Shawsheen Road.)

Two New Cruisers

Two new police cruisers were voted by the town, for a sum of \$3000, with an implied promise that the town would obtain an additional car for

ARTHUR B. HARPER ATTENDED WASHINGTON HEARING CONDEMNS SENATORS

Arthur B. Harper, 31 Crest Avenue, a delegate of the Watertown Arsenal Lodge 150, International Association of Machinists, has condemned both Senators Leverett Saltonstall and John B. Kennedy, for failure to appear at a Department of Defense hearing, in Washington, on February 20th. Harper, in a public statement, said:

"We feel that the two Senators have let the people of Massachusetts down, in failing to appear at this hearing. Each of them sent a lieutenant, but neither of these lieutenants said or did anything. The Watertown Arsenal is an important part of Massachusetts Industry, and these two men have let down their constituents. I feel if they had been there they could have done something for us."

Every Congressman from Massachusetts attended the hearing, which was called to see whether or not the Watertown Arsenal should have its operations curtailed.

The Department of Defense is supposed to make a decision by April 2nd. The hearing was before Under Secretary Higgins.

Harper, the delegate from Watertown, is a past commander of American Legion Post 136, and past president of the St. Thomas Holy Name Society.

BOARD OF APPEALS GRANTS MORAN APPEAL

Robert G. Moran, South Main Street, has been granted, by the Board of Appeals, a right to sell gravel, etc., out of town. The decision, which was published after a week of discussion by the board, stipulates that the provisions of the latest Zoning Law, voted last November 30th, must be observed.

Moran's appeal before the Board was by Atty. Timothy J. Kane, and in the name of Percy Crocker, title owner of the land.

The decision by the Appeal Board stipulates that a deed and plan of the property, satisfactory to the Appeal Board and Town Counsel must be furnished, together with a contour map satisfactory to the Town Engineer, and that in the operations the grade of operations to be maintained must be no lower than that of the adjacent streets. A \$5000 bond must be posted, no more than 20 vehicles to be used, and operations to be limited between the hours of 7 a.m. and 6 p.m.

The majority of these stipulations are part of the new Zoning Law of Wilmington, voted last Nov. 30th, and the others come from the Selectmen's Gravel Regulations.

HIGH SCHOOL AUDITORIUM NAMED FOR WILMINGTON'S SENIOR CITIZEN

By vote of the Town, Saturday afternoon, the new auditorium in Wilmington High School was named after Wilmington's senior citizen, Herbert C. Barrows. On a motion by Fred Corum, Chairman of the High School building Committee the School building Committee the town voted that the auditorium be named the 'Herbert C. Barrows Memorial Auditorium', and that the name be inscribed over the entrance.

Mr. Barrows, 83 years old, and chairman of the Finance Committee was honored two years ago, on the occasion of his 60th Annual Town Meeting. On that occasion the town voted that his record be 'engrossed' upon the town records. He has missed only one town meeting, regular or special, in his 62 years of service, that of last November 30th., at which time he was ill.

TEWKSBURY HOSPITAL PROGRAM TODAY

Today from 10 a.m.-2 p.m. the Tewksbury Hospital will provide an orientation program for Friends of Tewksbury and interested public, at the Annie MacDonald House, featuring a tour of the wards, and a general explanation of the needs of the patient. In order to save time a 'bring it yourself' sandwich lunch is planned. Coffee will be served.

Many of the patients at Tewksbury Hospital have families and friends, but these

POLIO CLINIC CARDS DATE EXTENDED TO MARCH 20TH

The Board of Health has extended to March 20th, the date for return of the Polio Clinic Cards by which parents request that their children receive the Salk vaccine injections in a clinic to be held in Wilmington within the next few weeks.

Children between the ages of 6 months and 15 years, and pregnant women are eligible for the free injections of the vaccine, either through the Board of health clinic, or through their own personal physicians. Both the clinic and the family physicians will receive their supplies of the vaccine at about the same time but no one, at the present date, can predict exactly when

The Board of Health has been using every available means to disseminate the cards, and information, to the people of Wilmington. The Wilmington Public Schools have cooperated in sending cards home by means of students, and cards have been placed in a number of Wilmington stores, including the Wilmington Drug Store at Silver Lake, Elia's Country Store and Cheifitz Bakery in North Wilmington, Elia's Busy Corner in East Wilmington, Archibald's (Warner's) in So. Wilmington, Rowell's (Bob's Market) and Jim's Variety Store in West Wilmington and the Wilmington Center Pharmacy and the Town Hall, in Wilmington Center.

Emphasized by the Board of Health is the fact that preschool children are also eligible, and that parents should enter the names of these children.

Three clinics have already been held this year, for children who received their preliminary injections last year, so that all of these now have completed their course of injections, (two).

KANE FILES PETITION FOR WRIT OF MANDAMUS

Attorney Timothy J. Kane of Middlesex Avenue has filed a petition in the Middlesex Superior Court, asking it to issue a Writ of Mandamus, compelling the Board of Selectmen to allow Kane an opportunity to examine certain records, licenses and permits. Kane says these are public records and should be available to the inspection of the public.

LIBRARY CLOSED TODAY

The Wilmington Public Library will be closed this afternoon, but open on regular hours this evening.

The purpose of the closing is to allow the Massachusetts Library Board to conduct a 'Weeding Workshop' in the Wilmington Public Library, checking the volumes and other materials in the library.

TOWN VOTES BETTERMENTS

(From Front Pg)

Safety Patrol purposes, for a
\$1 payment. It was the first
time that the town had ever
purchased two cruisers at one
time.

Front End Loader

Voted to be purchased was a
front end loader, using as
part payment funds which had
been paid as rent. 97% of the
rent money was applied to the
purchase, \$8,000 appropriated
for the remainder.

Ambulance

Without much question the
town voted \$9,000 for a new
ambulance, to replace the
present 1941 model.

Maintainance Truck

\$1500 for a Maintainance De-
partment Truck, (Schools) was
voted without question.

Swain School

The old High School, more
lately referred to as the
Junior High School was voted
to be known as the Swain
School, in memory of the
Misses Caroline and Henrietta
Swain, who each taught in the
Wilmington Public Schools for
over 40 years.

Water Betterments

Water Articles, Nos 17
through 22, took several hours
of the meeting, with a recess
in the middle of the first
article, for supper. After a
long debate, the town voted to
adopt sections 42G, H and I of
Chapter 40, General Laws, al-
lowing the town to assess
Betterments. Wilmington is the
first town in Massachusetts to
adopt this law.

The Betterment article was
moved by Harold Melzar, chair-
man of the Water Board, and
the principal debater was Larz
Neilson, chairman of the Wat-
et Extension Committee. The
town voted a \$30,000 bond, to
finance the Betterments, paya-
ble in 15 years. Also voted
was \$45,000 in 15 year bonds
water meters throughout the
town, the extension of the
Woburn Street main to connect
two ends, and for other pur-
poses of the department.

Under the same articles the
town voted \$2750 from taxes
to provide fluoridation equip-
ment for the new Barrows Well
Field. Money had been voted
four years ago for the other
well field. The Commissioners
had left this portion of the
article to be paid out of tax
money in order to allow the
citizens to debate it sepeara-
tely.

Voted under Article 22 was
\$1500 to buy land for a new
standpipe, near Hillside Way.

Schools

Disapproved was an article, to
buy land behind the Wildwood
School. Voted was \$1000 for a
committee to prepare plans for
a new school off Glen Road, and
also \$500 for an option on
land owned by Anthony Signore,
for a future school site.

Streets

A number of streets were ac-
cepted, the first being Haw-
thorne Road, off Woburn Street.
Lawrence Street and Court were
accepted under the Betterment
Plan. \$5000 was voted for oil-
a number of older streets.

Article 32 exempted a number
of streets from the Betterment
Plan, until after accepted. In
this group were Dunton, Gowing,
Oakridge, Chandler, Carolyn,
Kelley, Ledgewood, Longview,
Hilltop, Glenview and Fairmea-
dow Roads and Meadow Lane.

Stricken from this list were
Lawrence Street and Lawrence
Court.

Dunton Road, Gowing Road, and
Oakridge Road were accepted
and \$15000 in tax money voted
for the work.

Workmen's Act

Voted was a recommendation of
the TM's Insurance Committee
that the words 'Laborers, Work-
men and Mechanics' include all
employees of the town except
members of the Police and Fire
Forces.

Fire and Police

Accepted after a long debate
was Article 37, Fire Chief Ar-
thur Boudreau proponent. It
provided for the extension of
the fire alarm system to the
Brown's Crossing pumping sta-
tion.

\$3000 was appropriated for
this. \$9500 was appropriated
for a fire brush truck, after
a debate that lasted 45 min-
utes. The new Police Station
article was passed (tabled).

By Laws

Voted amidst considerable
hilarity was a Peeping Tom law
and one to prohibit thumbing
rides from the middle of the
street, with Sgt John Imbimbo
being the proponent.

Zoning Amendments

Three zoning amendments were
easily voted and a fourth was
turned down. Residents of Sun-
crest Acres wanted the resi-
dential zone near their home
sites extended 300 feet into
an industrial zone. The Plan-
ning Board opposed, saying that
this would ruin a proposed ac-
cess road into an industrial
lot, and the town sustained the
Planning Board.

Town Clock

\$2600 was appropriated to re-
pair the Town Clock.

Land Sale

For \$1 the town sold to the
Congregational Church any land
that it might own in front of
the church.

Garden Court

The town voted a \$1600 trans-
fer, and gave the Selectmen the
power to take by eminent do-
main land in the Garden Court
area, in order to complete a
planned road across Mill Brook
The third session of the Town
Meeting adjourned at 11:30 pm
Monday evening.

TAX RATE WILL NOT BE OVER \$61.21

Wilmington's Tax Rate, for
1956, will not be over \$61.21.
It cannot be announced until a
number of still unanswered
questions have been answered,
which may be as late as the
first of June, but it will not
be over this figure, and proba-
bly will be lower.

\$1,369,924.80 was voted to be
raised from taxes, or various
available sources, by the vot-
ers, and a total of \$180,000
in bonds, for water or streets
in the Town meeting of last
weekend. Basing their esti-
mates on an unofficial valua-
tion of \$14,300,000, and esti-
mating that the tax levy, af-
ter deductions for monies from
other sources, will be
\$875,385.80, officials in the
Town Hall including Town man-
ager Courtney, are quite con-
fident that the highest fig-
ure will be \$61.21, and that
it will probably be somewhat
lower.

The 'somewhat lower' figure
is based on the fact that Wil-
mington is currently under-
going a Revaluation of prop-
erty, by the firm of Cole
Lyster-Trumbell, and the new
valuations are expected in the
latter part of April. It is
believed that as a result val-
uations will increase,
at least slightly, with a sub-
sequent decrease in the tax
rate.

DR. HARMON HEADS HEALTH BOARD

Dr. Gaius E. Harmon, the chairman of the first Board of Health of Wilmington, (after separation from the Board of Selectmen) was again elected chairman, last Thursday evening, following the resignation of Frank Hagerty, now Selectman Frank Hagerty. Hagerty had resigned the previous Monday.

Dr. Harmon, born in Wilmington and holder of a degree of master, in Public Health from Harvard and MIT, has been living in Wilmington since his retirement a few years ago. He has spent a lifetime in public health activities, as a teacher, and in public health work in Chicago and Detroit, in World War II.

Polluted Well

Sanitarian Patrick H. Thebeau reported a polluted well, in a home off Grove Avenue, a home without town water, a problem discussed at length, but for which there was no answer. The house is on a private road and the Water Department reported that they could not, under the regulations, extend its service, but that they might be able to do something after the Town meeting.

CIVIL DEFENSE TO PLACE AIR RAID INSTRUCTIONS IN EVERY HOME

The Wilmington Civil Defense organization is planning to distribute to every home in Wilmington the latest type of Air Raid Instructions, printed on a placard, suitable for posting in the kitchen or else where.

Also planned for distribution are booklets entitled 'Home Protection Exercises', containing instructions, first aid hints, etc. Only 750 of the latter are available at the moment, but more will be sent to Wilmington.

Rene LaRivee, Civil Defense Director and William Berry, Chief Air Raid Warden, have divided Wilmington into fifteen districts or zones, using readily recognizable features of the terrain, such as railroads, creeks, etc., as division lines. In each zone a Warden is in charge, and he will be assisted by as many wardens as he deems necessary to carry out the duties of his post.

The Warden's duties are not only for Air Raids, but envisage such things as floods, fires, medical emergencies, etc.

Every home, in Wilmington, is being tabulated at the present time, in connection with the Air Raid Defenses, with information on the individual families, designed to save lives in time of emergencies. About 2000 homes are affected. The Commonwealth of Massachusetts has given the Wilmington Civil Defense 90 days in which to complete this work. Wilmington, lying on the periphery of Boston, will be a town to which Boston residents will be evacuated, in time of emergency.

DAV WHIST PARTY POSTPONED

The DAV Auxiliary whist party which was scheduled for St. Patrick's Day evening has been postponed to the following Saturday, March 24., at the same time and place. This was done in order not to conflict with the Green Whist of St. Dorothy's church, which had been scheduled for the same evening.

basketball ever played on the court of the new High School gymnasium last Friday evening. When the clouds had cleared the girls were ahead of the teachers by 35 to 23 points, while the boys were behind their teachers 34 to 29.

Tickets were sold out at 7pm and there was standing room only with about 100 standees present. Probably over 600 spectators watched the game. Included was the School Committee, members of the Building Committee, and other town dignitaries, (some of whom had to stand because they arrived late.)

Playing their last game, as seniors, were co-captains Jean Ashworth and Pat Bennett along with Nancy Andersen, Jane Randell, Louise Carnes, Martha Boyle, Sally Higginbotham and Rosalie Cuoco. Boys who played their last game were Capt. Dick Ethier, Charles Rounds, Richard Moore, Jimmy Marsi and Bernie Nally.

Both the men and women teachers clowned for the game, with outlandish costumes. Baby Snooks, Digger O'Dell, Members of the Gay 90 Review, Ramar of the Jungle, and other such characters were seen, some in unidentifiable costumes, all of them teachers in Wilmington High School.

LETTER TO THE EDITOR
MORAN GRAVEL PITAtt: Capt. Neilson
Deaz Editor:

I wish to publically protest the apparent unjust treatment being given Robert Moran of South Wilmington in regards to his gravel pit and his great and earnest endeavors to bring industry to our Town. Bob has always fought for industry.

Why do and have the Town Manager-Elected and appointed Town officials repeatedly attempt to persecute this man? What is the real reason behind this controversial question which most every citizen is trying to find out about will someone please answer and

bring the matter out in the Press for everyone to read? Why so much secrecy, evasion and buck passing?

Would it be that our Town officials do not want any further Industrial Expansion—that they are against staple business developments and have pledged themselves to block everything that would appear to be for the Town's best interests? Surely they do not honestly desire a higher tax rate and higher property valuations which will crucify the towns industry and general business activities. Can it be that their hidden suppressed desire and motto is—'Make Wilmington a ghost town and give it a quiet cemetery atmosphere' Remember Rip Van Winkle and his Sleepy Hollow.

My fellow Townsmen, rise up

and protest loudly this unfair treatment towards Mr. Moran. Demand that the town officials give him real old American justice by granting him his deserved Gravel pit license and let the poor man go to work in peace. yes, be fair.

Respectfully yours,
Harold William McKelvey

LETTER TO THE EDITOR

Editor, Town Crier:

The Lawrence Acres Association wishes to go on record as having had no knowledge, and of not being the sponsors of the motion by one of our men, on Article 32, in the Town Meeting just passed. The motion was his alone, and he was

not speaking for any group, as far as we know.

We voted unanimously for Article 32 with the provision that Lawrence Street and Lawrence Court be stricken from the list.

Thank You
John J. Savko, president
Marjorie B. Winchell, Secy.

THE SELECTMEN'S MEETING

The Board of Selectmen met Monday night, to perform their regular duties, in addition to those imposed on them by the the adjourned Town Meeting.

Frederick H. Horton, 35 Glen Road, was re-named Veteran's Agent. A letter was received from Atty Timothy J Kane, objecting to parts of the decision of the Board of Appeals with reference to the Moran Gravel Pit, on the 'Blue Hog' farm, and asking a lot of questions about other pits. It was referred to the Town Council.

A letter was received from a lady objecting to a place of business near her home, which she labeled a 'fire trap'.

Selectman Nicholas De Felice had a few caustic words to say concerning some of the 'mileage' bills of some town employees, who use their own automobiles for town business.

The General Salvage Company was granted a Third Class Garage license, on the lower end of Woburn Street, after a public hearing to which there were no objectors.

NOTED NEGRO CONCERT SINGER AT WILMINGTON METHODIST CHURCH, PALM SUNDAY

An almost unprecedented musical experience in Wilmington is planned for Palm Sunday night, 7:45 p.m. in the Wilmington Methodist Church, when Isaiah Jenkins, one of the most promising negro singers to appear on the concert stage in the last ten years, will give a concert of negro music which he entitles 'The American Negro Speaks Through poetry and Drama'.

The concert comes to the people of Wilmington to add meaning to the Lenten season for which there will be no charge though a free-will offering will be received.

Mr. Jenkins has sung widely and has given this particular program in a number of communities in New England. Everywhere it has been heard it has been greeted with great enthusiasm. When Mr. Jenkins sings it is easy to understand the interest of the celebrated

negro tenor, Roland Hayes, in his future.

Born on a marginal dirt farm in the village of Sheldon, South Carolina, he gained his education by back-breaking manual labor. At an early age he received a call to the ministry. He is a graduate of Boston University School of Theology and is now seeking his master of philosophy degree from that University. The Rev. Mr. Harding feels that this is to great an opportunity for the people of Wilmington to pass up and cordially invites everyone in the community to share in this experience. 'Certainly the musically minded persons of the community will not want to miss the privilege of hearing Isaiah Jenkins sing.'
